

Headteacher Update, Term 2, Week 16

I hope everyone is enjoying the busy run up to Christmas. There are so many great festive learning experiences for the young people in Alloa Academy on the run up to the holidays.

Last week we started with the Senior School Dance. The pupils excelled at traditional dancing and seemed to really enjoy the night.

Thank you to the staff who supported the event and Mrs Grossart for your MC skills. They are second to none!

Celebrating Success

'Princess Penelope the Pea and the Frog Prince' was a massive success.

It was a pleasure to watch this outstanding production come together and everyone involved must be very proud of their work.

I counted 51 Pupils, 15 Staff and 14 Parents who were directly involved working on the production. This is a great family/community event that showcases our talented young people.

Thank you to all of those involved and I hope the local press report on this great show.

A special thanks to the Parent Council for supporting the activities.

EASN – S3 Leadership

Continuing with the Christmas theme, Mrs Murray's S3 pupil's coordinated a Christmas Party for the pupils in EASN. The S3's done a fantastic job of having various party games, activities and snacks. Well done, great leadership qualities were shown. I apologise to pupils and staff for my awful dance moves!

Golden Ticket + Attendance

I was pleased to see pupils using the Golden Ticket system that is aiming to build on, and maintain good school attendance. This is particularly important this coming week.

I also hope the Penultimate activities encourage good attendance.

Have a great week,

Colin
