

Headteacher Update Week 21

It was very busy week in Alloa Academy with S4 Parents Evening on Monday, the Paris Trip, Senior Phase Course Choice on Thursday, Scottish Day, Rugby Trip and the Geo Bus to name but a few!

This coming week is a welcomed time to reflect on the developments we have made this session and plan ahead to ensure we are prioritising supporting good outcomes for our young people now and in the future years.

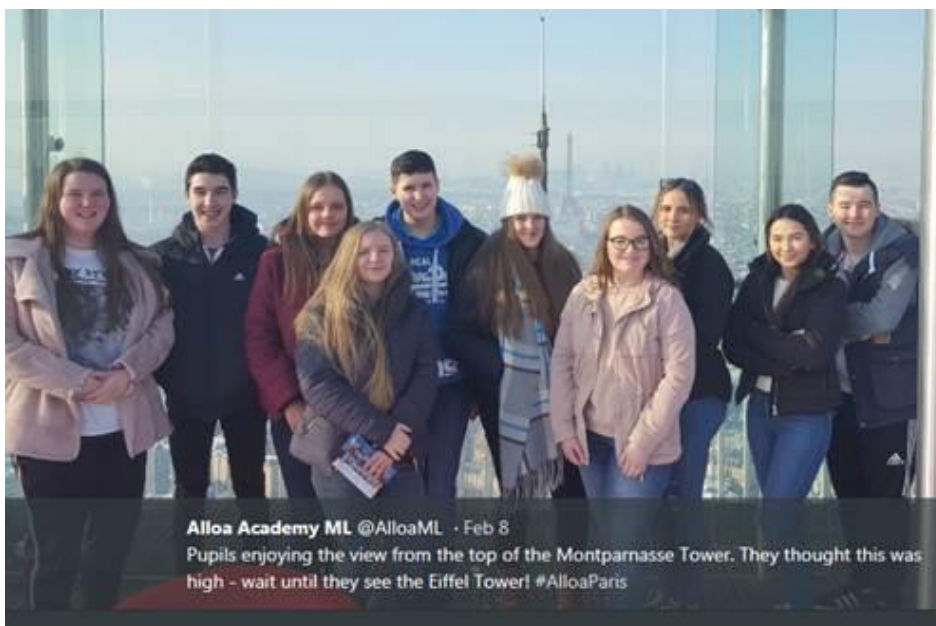

Celebrating Success

Well done to the Alloa Futsal players below. A great team effort.

Paris Trip

I have loved reading the updates from the Modern Languages trip to Paris. You can keep up to date with their travels @AlloaML.

Young Citizen of the Year

Thanks to the staff who put a selection of our learners forward for the Clackmannanshire Young Citizen of the Year award. All worthy entries with successes ranging from academic success, helping others, making improvements in engagement, performing arts and sports. Well done and good luck.

Rugby

Great to see Alloa pupils watching Scotland get a win over France. Pupils and staff braved the elements to soak up the atmosphere.

I hope you enjoy the holidays.

Regards

Mr Bruce
