Key dates and course components

Fashion and Textiles Technology Prelim Paper – During assessment block in January 2020

Course Assignment and Practical Activity - completed by week beginning 23rd April 2020

This course is assessed by 3 components:

1. **Question paper** worth 30% of final grade - 27th May 13.00 – 14.00.
2. **Assignment (planning and evaluating a practical activity)** worth 35% of final grade
3. **Practical activity (making what was planned in the assignment)** worth 35% of final grade.

The first 2 components are externally marked by SQA and the practical activity is internally marked and verified internally.

Top tips for Success

- **Concentrate** properly in class, do not let yourself be easily distracted.
- **Focus on your own work** and stay on task.
- **Ask for help**, do not sit and wait until it comes to you.
- **Attend school/class** regularly, it is very easy to fall behind because of absence.
- **Revise class work regularly** at home. This will help to reinforce course content.
- Familiarise yourself with Specimen Question Papers, types of questions asked and command words used.

Departmental support

Teacher is available for help, if arranged, either at lunchtime or after school.

**WORK TO THE DEADLINES** that you are set by your teacher.

If you are having difficulty tell your teacher, she will be pleased to help.
